1.10	Guarantee	Not applicable
1.11	Currencies of issue	Euro or any other currency authorized by applicable laws and regulations in force in France at the time of the issue

1.12	Yield basis	Compensation type(s): The remuneration is unrestricted i.e. it may be at a fixed rate, at a variable or revisable rate, or structured. However, the issuer undertakes to inform the Banque de France, when a security is issued, if the remuneration is linked to an index or varies pursuant to an indexation clause which does not relate to a standard interbank, money market or bond market rate. Benchmark index(es): The remuneration rates are indexed to the usual rates of the monetary markets. Compensation rules: The securities rates may be negative depending on the fixed rates or changes in the usual money market indices used to calculate their remuneration. At their maturity date, the principal of the securities must always equal par. Although the securities are redeemed unconditionally at par, the presence of negative interest flows may result with a net amount received by the holder being less than par. In the case of an issue with an early redemption or repurchase option, the terms of remuneration of the securities will be fixed at the time of the initial issue and may not be changed subsequently, in particular when the early redemption or repurchase option is exercised.
1.13	Maturity	The term (maturity date) of the NEU MTN shall be determined in accordance with laws and regulations applicable in France, which imply that, at the date hereof, the term of the NEU MTN shall not be shorter than 1 year (365 days or 366 days in a leap year), from the issue date. The securities may be redeemed prior to maturity in accordance with the laws and regulations applicable in France. The securities issued under the programme may also include one or more options for redemption by the issuer (at the option of the Issuer, or the holder, or depending on one (or more) event(s) independent of the Issuer and/or the holder). The option of early redemption or repurchase of securities, if applicable, must be explicitly specified in the confirmation form of any relevant issue. In all cases, the maturity of any securities with one or more of these clauses, including any early redemption or repurchase options, will always comply with the regulations in force at the time of issue of the said securities. Maturity rules:
1.14	Minimum issuance amount	200,000 EUR or any other amount above the stated value (or equivalent amount in the relevant foreign currency).

1.15	Minimum legal amount of the notes	By virtue of regulation (Article D 213-11 of the French monetary and financial code), the minimum legal amount of the notes is 200,000 EUR or the equivalent in the currencies selected at the time of issuance.
